Department Rules

1. Each exhibitor must comply with the Illinois Exhibition Health Requirements; Animal Care, Drug, Testing and Welfare Policies; and General Rules of the Junior Livestock Division as previously stated.
2. All pens and stalls are to be assigned by the Superintendent or his/her assistants. Pens will be assigned based on a minimum of two (2) head per pen. Animals must be penned according to these assignments. Exhibitors are responsible for additional fencing if needed to separate or confine animals. Additional pens will be at the discretion of the Superintendent.

3. Each exhibitor must be present to show their own animals unless exempted in advance by the Superintendent due to an identified, eligible conflict.
4. Junior Show exhibitors are reminded they must adhere to the Junior Show registration and ring card distribution requirements to exhibit in the Junior Show. Open Show registration does not fulfill Junior Show requirements.
5. All animals in full-blood classes must be registered purebred/full-blood Boer goats. Purebred/full-blood classes are for does that are 15/16 blood (94%) and higher and for bucks that are 31/32 blood (97%) and higher.
6. Percentage doe classes are for goats 50% to 80%.
7. All goats three (3) months of age or older must be registered with ABGA. Original registration certificates are required. No copies of registration or stamped duplicate of official registration will be accepted.
8. The purpose of the Commercial Doe Show is to exhibit commercial breeding stock. Commercial doe classes do not require registration papers. However, they must have a scrapie tag. The following additional rules apply for the Commercial Show:
 - a. Divisions are based on age and determined by teeth.
 - b. Classes will be broken by weight. The number of classes in each division will be determined by the number of entries per division.
 - c. The top two (2) animals from each class will move forward to the division Champion Drive and the first and second place doe from each division will move into the Grand Champion Drive.
 - d. Fitting is allowed and is at the discretion of the showman. However, adding 'hair' by use of foreign material will not be allowed and will disqualify the animal.
 - e. Animals shown in the Commercial Show will not be allowed to show in ABGA shows.
 - f. If an animal's tooth is missing, the animal will be moved to the next division.
9. For kids under three (3) months of age, a copy of a registration application, stamped with the date received by one of the listed associations will be accepted.
10. All goats must have legible tattoos or other means of permanent identification consistent with their registration certificate. If an animal has a microchip as its permanent identification, the exhibitor is responsible for providing a microchip reader. Wethers and Market Does must be properly identified with the annually established Junior Show box tattoo identification to be eligible to show. Animals with illegible tattoos, unhealed tattoos or tattoos that are inconsistent with goat's registration papers are ineligible to show. Additionally, exhibitors are responsible for having the ears of his/her animals clean, knowing where the tattoo or chip is, and knowing it can be read by officials at the time of check-in.
11. All registration papers must show ownership of the animals in the name of the exhibitor or ownership by immediate family members including the exhibitor for the period required in the 4-H or FFA projects. For does under six months of age, an official stamped duplicate must accompany animal, if registration papers are not available.
12. The date shown on registration papers will be taken as effective date of ownership.
13. Entries in the meat goat classes must have been the property of the exhibitor and a part of his/her project in accordance with the following dates:
 - a. Kids and Yearlings, May 15, 2024
 - b. Does, January 1, 2024
 - c. Wethers, May 15, 2024
14. Birth dates, as listed on the registration certificate, will be used to determine the class division. Take the show date and count back to the birth date to determine the age and class for the animal.

15. Substitutions are allowed within a class up to the time of check-in. Entry into additional classes is not allowed after July 15, 2024.
16. Animals with natural horns or animals which have been disbudded or dehorned may be shown at official ABGA shows without regard to discrimination.
