All exhibits in Section K-2 must be in place by 10:00 a.m. Wednesday, August 7, including Governor's Basket. Judging will begin immediately. Every entry must be labeled with variety. Please write the variety name on the reverse side of entry tag.

The judge will carefully note the following points:

- Condition and general appearance of the fruit should be well preserved with all parts – stem, calyx, etc., well preserved, not wilted or shriveled.
- Size of apples and pears should be an average for the variety grown in Illinois, neither overgrown nor small. Each entry should be uniform in size.
- Shape and color should be characteristic of the variety.
- Fruit should be free from insect, disease and mechanical injury.

The judge has the option to sample product.

Division 1 – Fruit Displays
