Welcome to the 2023 Illinois State Fair!

Our Illinois State Fair is a beloved tradition that brings together Illinoisans from every corner of our great state to celebrate our agricultural legacy, so it's only fitting that this year's theme is "Harvest the Fun."

The fairgrounds are an Illinois treasure, and we're dedicated to improving them year after year so that the hundreds of thousands of people that visit from across the state and the nation can experience the best of what Illinois has to offer. Over the past few years, we've made major improvements thanks to our Rebuild Illinois capital plan. To ensure the Illinois State Fair facilities are worthy of its founding mission, we've invested nearly \$9 million to overhaul the Multi-Purpose Arena where so many of our great fair events take place. So this year is extra special, as we'll be able to celebrate its opening and gather in the renewed space.

This year also marks the 170th anniversary of the Illinois State Fair, and although much has changed since the very first fair in 1853, one thing remains strong and steadfast: our state's agricultural industry. And it will continue to propel us forward for generations to come.

Illinois has long stood as a beacon of progress, innovation, and opportunity, with agriculture as the backbone of our achievements. That's why I'm thrilled to gather for another year to highlight our agriculture community's unmatched contributions to our state, our nation, and the world.

So wherever you come from, whatever the memories you pursue: thank you for joining us and for making the Illinois State Fair a part of your summer once again. Enjoy this wonderful celebration.

Sincerely,

A handwritten signature in black ink, appearing to read "JB Pritzker". The signature is stylized with a large, bold "J" and "P".

JB Pritzker, *Governor*

It is our pleasure to welcome you to the 2023 Illinois State Fair.

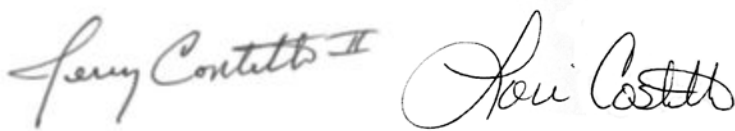

During your visit, we hope you take notice of the work to revitalize the Illinois State Fairgrounds. Starting with the Coliseum to now re-opening the Multi-Purpose Arena after a year of renovations, there has been tremendous investments made to the fairgrounds.

Similarly, in agriculture, progress is incremental. The work and dedication that goes into the planting season is followed by a bountiful harvest. That is why we chose the theme “Harvest the Fun” for the 2023 Illinois State Fair. While we continue to look for ways to make these historic grounds stand the test of time, we are proud of the strides we have made.

As you and your family venture around the grounds during these 11 days, our goal is that you have fun. Whether it’s showing animals, enjoying a concert, tapping into your adventurous side with one of the thrill-seeking carnival rides or trying each and every delicious fair food we have to offer, the Illinois State Fair has something for everyone.

We are proud to call Illinois home and are happy you are on the fairgrounds. We hope you will have another year full of memories made at the Illinois State Fair and encourage you to “Harvest the Fun.”

Sincerely,

The image shows two handwritten signatures in black ink. The signature on the left is "Jerry Costello II" and the signature on the right is "Lori Costello". Both are written in a cursive, flowing style.

Land of Lincoln Purebred Livestock Breeder's Award

George Halpin

George is recognized for his outstanding accomplishments in the purebred Milking Shorthorn dairy industry. Halpin Farms, located in Cullom, is a 4th generation family farm. In 1938, George's parents William and Julia were gifted two bred Milking Shorthorn heifers as a wedding present, and the rest is history. George and his late wife, Margaret, were married in 1975 and began farming on the family farm. George and Margaret have two children, Amy, and the late, Michael, along with four grandsons, Owen, Colt, Bode, and Holden. In addition to his Milking Shorthorn herd, George and his brother, Bill, farm approximately 4500 acres of corn and soybeans. The entire family contributes on and off the farm to keep things running smoothly.

Halpin Farms consists of approximately 150 head of Milking Shorthorn dairy cattle. The cows are milked at two local dairies, Mackinson Dairy and Erdman dairy. The calves, heifers, and dry cows are housed at the home farm.

Halpin Farms are no strangers to the show ring. Halpins have been successful in breeding and exhibiting numerous champions and class winners at the local, state, and national level. They have exhibited Grand Champion four times both at the All American in Harrisburg, PA and The North American in Louisville, KY. They have four Reserve Grand Champion banners from the International Milking Shorthorn Show at the World Dairy Expo in Madison, WI. In addition, they have countless championships from the Illinois State Fair. They have earned over 50 All-American titles and 20 Reserve All-Americans. George has exhibited a herd at the Illinois State Fair for 56 consecutive years.

There are a few main cow families that have excelled over the years for Halpins. One being, Halpins Mona-EXP. She was All-American Senior 2-Year old and Reserve Grand Champion of the International Junior Show in 2002 and Reserve Intermediate Champion of the Open Show in 2003. She earned Grand Champion banners at Harrisburg and Louisville in both 2002 and 2003. Numerous generations of "Monas" have gone on to excel in the show ring. Most notably, her daughter Melody (All American 4 year old) was Reserve Grand Champion at Harrisburg in 2008. Melody's daughter, Mona II (owned with Matt Mackinson), was Grand Champion at Harrisburg and Louisville, and Reserve Grand Champion at World Dairy Expo in 2013.

Another winning family is that of Halpins Ruthanne. She was classified as Excellent 94 points. In 2013, she was All-American 4-Year-Old, winning her class at Madison and being named HM Grand Champion behind Mona II. In 2014, Ruthanne was Reserve Grand Champion at Louisville and named Best Udder of the International Milking Shorthorn Show. Her son, Halpins Muddy Rockstar, has been a very popular type sire over the last five years and was named Premier Sire of the Heifer Show at Madison in 2021.

George has served in various leadership positions throughout the years. Most notably, he has been the Cullom Junior Fair President for the last 29 years. He served as the President of the National Milking Shorthorn Association as well as serving on the National Milking Shorthorn board for 6 years. He continues to serve on the Milking Shorthorn All American committee. George had been a director on the Land of Lincoln Board for many years. In addition, he has been on various boards and committees throughout the years.

Violators of this Act are guilty of a Class C misdemeanor. This Act and its subsequent provisions are regulated by the Illinois Department of Agriculture's Bureau of Animal Health.

DRUG TESTING REQUIREMENTS

Illinois Department of Agriculture personnel are authorized to collect blood, urine, milk, tissue or other samples from any animal being exhibited to test for the presence of any substances, practices or other adulterants which may give the animal a competitive advantage. As a condition of entry, all exhibitors shall sign a statement of ethical conduct.

Notwithstanding the above, as a condition of entry in an Illinois State Fair event, all exhibitors agree to cooperate fully with testing protocols including ultrasound. Department personnel

may collect blood, tissue, milk or urine samples from any animal being exhibited and/or raced in any event at the Illinois State Fair at any time, including at the time of slaughter, to test for the presence of any substances, practices or other adulterants. It is a violation of this requirement if the test results indicate 1) the presence of a substance, practice or other adulterant that could give an animal a competitive advantage, and/or 2) the presence of a substance, practice or other adulterant that does not meet allowable slaughter residue levels for market animals as determined by the Department.

Any animal drug tested at the Illinois State Fair is subject to be detained at the expense of the Exhibitor by Fair Officials until the Fair Officials receive final test results. After any preliminary positive test results are confirmed by a gas chromatograph/mass spectrometer tests, the results may be made public. If a dispute regarding the test results occurs, a portion of the referee sample, upon written request to the Department, may be sent in a manner mutually agreed to by the parties for laboratory testing and analysis at a facility mutually agreed to by the exhibitor and the Department. The referee sample will be split in the presence of the parties or their representative. The test results must be sent to both the exhibitor and the Department by the laboratory. All fees associated with the referee sample are the responsibility of the exhibitor.

If an animal is determined to be in violation of this requirement, then the exhibitor agrees to forfeit all awards, prizes, money, honors and rights to any benefits received at the Illinois State Fair concerning such animal.

If an exhibitor disputes a disqualification of an animal by fair officials, the exhibitor may request a hearing before an administrative law judge of the Illinois Department of Agriculture, pursuant to the administrative law rule. However, any request to have the referee sample tested must be made, the test must be performed and the test results determined all prior to the hearing.

The owner, exhibitor, fitter, trainer and participant bear absolute responsibility for an animal's condition, whether or not he or she was actually instrumental in or had actual knowledge of the administration of drugs or medication or treatment of the animal in contravention of these requirements.

Proper testing may require animals to be detained temporarily and may delay awarding of premium checks.

DEPARTMENT RULES

1. Each exhibitor must comply with the Illinois Exhibition Health Requirements; Animal Care, Drug, Testing and Welfare Policies; and General Rules of the Junior Livestock Division as previously stated.
2. All participating exhibitors are responsible for being familiar with the rules that apply in each class. A violation of the rules may result in disqualification.
The Illinois State Junior Horse Show is not a member of the USA Equestrian or the American Quarter Horse Association, but uses the mentioned organizations' rule books as guidelines for the show. In case of conflict, the Junior Horse Show Committee's 2023 Addendum supersedes all other rules. This Addendum will be posted at the show and/or made available to all exhibitors. The decisions of the Superintendents and Judges regarding any and all matters at the show are final.
3. Each exhibitor must show his/her animal in the ring without the assistance of another person, except in classes that usually show with a header or trailer. For the costume class, more than one 4-H and/or FFA member may be a part of the entry, however only the exhibitor should enter the class. A leader and/or side walker is permitted for safety reasons in the Costume Class and riders with disabilities classes. Only 4-H and FFA members over 8 years of age or parents or leaders will be allowed in the ring.
4. By May 1 of the exhibit year, exhibitors must place on file at the local extension office or school (FFA), copies of ownership and/or lease papers for all animals that the member may plan to exhibit at the State Junior Horse Show. In addition to the ownership/lease papers and horse names, not barn names, two (2) sets of two (2) color photos (one of each side) of the animals will be mandatory for all horses and ponies, grade and registered animals. The county will forward a copy of all ownership/lease papers and one (1) set of two (2) color photos (one of each side) of all animals to the Entry Department as a part of the entry process. A copy of the ownership and/or lease papers and one (1) set of the two (2) color photos (one of each side) will remain on file in the local office in the event verification is needed.
Exhibitors must submit the official State Fair entry form to the Entry Department, along with the appropriate entry fees, by the June 15th deadline. No replacement animals will be allowed in the State Fair Junior Horse Show unless the animal has already been registered in the local extension office or school by the May deadline. Violation of the ownership/leasing rules will not be tolerated. Violations may result in disqualification from current and/or the following year's State Junior Horse Show and forfeiture of all premiums and awards.
5. Each exhibitor is allowed to show three (3) horses. A fourth horse is permitted only if it is a yearling filly or gelding entered in the Yearling Halter Classes (yearling classes 49601, 49401, 49301 and 49302). Exhibitors showing more than one (1) horse should designate on the entry form which horse is to be shown in each class.
6. Each exhibitor is limited to entering twelve (12) total classes. Land of Lincoln Classes, halter championships, Versatility Class, Costume Class and Egg-Spoon do not count towards the twelve (12).
7. Exhibitors may show the same horse or pony both English and Western.
8. Each exhibitor is limited to two (2) Showmanship classes and one (1) Dressage Class per horse.
9. Horses or ponies in age restricted classes may be asked to furnish proof of age.
10. No animal may be shown by more than one (1) exhibitor and no exhibitor may enter more than one (1) animal in any class.

11. Animals do not have to be registered animals to be exhibited except in Land of Lincoln Classes. Stallions, Mules, Donkeys and Asses are not eligible to be shown in the Junior Horse Show.
12. Only horses entered in the Junior Horse Show will be allowed on the fairgrounds and no horses will be allowed on the grounds before 12 noon on Sunday, July 23, 2023. Stall assignments will be posted outside the Show Office and at the end of each barn. Veterinarian and other emergency information will also be posted. All exhibitors and animals must be off the fairgrounds by 12:00 pm, Sunday, July 30, 2023.
13. Exhibitors may only stable in the barns assigned to their county by the show committee. **If assignment stall cards are removed, altered, or changed, it will result in the exhibitors' disqualification from the show.** For safety reasons no locks are allowed on stall doors at any time unless the stall contains tack. Exhibitors must furnish their own feed and bedding; it may be purchased on the fairgrounds.
14. Exhibitors may pick up their packets and exhibitor numbers between 12:00 noon and 8:00 pm on Sunday, July 23, after 7:00 am Monday, July 24 and any time while the show is in progress in the Junior Horse Show Office. The office opens at 6:30 A.M. each day Tuesday, July 25 through Saturday, July 29.
15. At the time of check-in, exhibitors should advise the office when they will be leaving so that stalls may be re-used by other exhibitors.
16. All ponies will be measured or must show a 4-H Pony Card that was issued 2016 or before. 4-H Pony Cards will be accepted only on ponies five (5) years of age or older. If an exhibitor is showing a pony for which a valid 4-H Pony Height Card has already been obtained in the past, the exhibitor must present this card to the show office at the time of check-in before a packet and exhibitor number can be obtained. Pony measurements will be made only between 7:00 & 7:30 am every morning in Barn 25A.
17. Parking is not allowed on the fairground streets near the barns except to load or unload horses and equipment. This is a fire code violation and vehicles improperly parked will be towed.
18. For safety reasons, exhibitors and their horses will not be allowed to stand or groom in the area and/or street directly in front of the arena entrance. At the instructions of the gate and ring personnel, entry to or exit from the arena may be through the west gate or east gate. There will be no gate holds for any exhibitor unless scheduled with the in-gate personnel at least two (2) classes prior to the class for which the gate hold is requested. The exhibitor is responsible for being on time at the specified gate for his/her classes.
19. Only exhibitors will be permitted to work horses on the grounds at any time.
20. All exhibitors must be checked in for their classes at the designated table near the entry gate to the show arena at least two (2) classes prior to the class in which they are exhibiting. Any exhibitor not checked in at the check-in table at least two (2) classes prior to their class will not be allowed to enter the arena.
21. Exhibitor numbers will be issued at check-in and must be attached to each side of saddle pad or tack, except for in-hand classes (conformation, etc.) for which one (1) number shall be worn on the exhibitor's back.
22. If there are not five (5) entries in any one (1) class the show committee reserves the right to combine the class with another age group and possibly drop the class the following year.

23. All patterns, rule additions and other announcements from Show Officials will be posted on an officially designated board outside the Junior Horse Show Office. These items will be posted once and copies will be available in the office every morning. Only official information may be posted on this board by show officials. Anyone attaching or removing from this Official Bulletin board will be removed from the fairgrounds and prohibited from further showing. Other bulletin boards for posting information on sale items, announcements and other such information will be provided.
24. Following the end of classes each evening, the show arena will remain open unless otherwise designated by the Superintendents. The show arena will be closed Sunday evening at 9:00 pm and each morning at 6:30 am to prepare for classes. During the show, only exhibitors showing in classes designated by the show committee will be allowed warm-up time in the arena.
25. Helmets (ASI/SEI approved protective headgear) with buckled safety harness will be required by all riders whenever mounted. Riders must wear a shoe or boot with a heel and must ride with a saddle and bridle. Bareback Riding will not be allowed on the fairgrounds at any time, not even in Costume Classes.
26. No lunging of horses is allowed in the show arena at any time and no dogs will be allowed in the show arena. Per Illinois State Fair rules, dogs must be on a leash at all times anywhere on the fairgrounds.
27. Cell phones should be on courtesy or silent and walkie-talkies and similar communication devices are not allowed in and around the show arena during the show as they may interfere with the show official's communication devices.
28. One (1) officially designated chaperon is required for every ten (10) participants. Participants must know their chaperon and chaperons are responsible for the participants. Local extension offices and school districts are responsible for following screening procedures for all chaperons. Exhibitors participating in this show are encouraged to provide chaperones with emergency medical forms completed and signed by parents/guardians to ensure medical treatment can be provided if necessary.
29. Bicycles, roller-skates, skateboards, scooters and motor bikes are not allowed inside any barns, preparation areas with horses, warm-up arenas or in the show arena. Violators will be removed from the fairgrounds.
