2023 ILLINOIS STATE FAIR TWILIGHT PARADE GENERAL RULES

Please review the following rules, which apply to entries in the Twilight Parade. **These rules have been created in the interest of safety of parade spectators and participants. To ensure the best parade possible it is our desire to minimize the length and duration of the parade.**

GENERAL PARADE RULES

All entries must conform to the parade theme. The 2023 theme is:

“TBA”

DEADLINE FOR APPLICATION IS JULY 10, 2023

1. A committee will screen all entries for entertainment value and approximately 60 will be selected for participation in the parade. Conformance to the theme or “atmosphere” of the Fair will be a major component for selection.
2. The parade committee will evaluate and select entries based upon information provided in the parade applications. Failure to provide complete information or to comply with the defined rules may result in an entry not being selected. The parade committee reserves the right to limit, or re-categorize entries based upon their discretion. All decisions of the judges are final.
3. A \$25.00 entry fee will be required for each selected entry plus an additional fee dependent upon the number of participants and category entered. This fee shall be submitted after notification of acceptance by the committee.
4. All applicants will provide detailed drawings and descriptions of their entry. Any major changes to the original entry must be approved by the committee, otherwise the entry is disqualified.
5. No entry will be accepted unless the application is completed on both sides and signed.
6. All entries must be postmarked or hand delivered to the Special Events Office by close of business on July 10th. This deadline will be strictly enforced.
7. Samples, candy or other materials of any type may **NOT** be thrown from or distributed from floats or vehicles. Parade walkers may distribute material to parade spectators by walking to the curb and handing the material out. The Police Department, Parade Marshals and Parade Officials may, without warning, remove unit from the parade if this rule is violated.
8. It is the policy of the Illinois State Fair Twilight Parade to highlight Miss Illinois County Fair as queen. No other queens will be allowed to ride in a vehicle as parade entry. Other queens are welcome to participate; however they may not participate as a single entry. They must appear in conjunction with an accepted float.
9. All entries must display their assigned parade number on front of their unit. The Twilight Parade Committee will assign this number to each unit upon acceptance to the parade by the committee.
10. Parade judging categories are limited to: Marching Bands, Floats, and Specialty Units.

Entry forms should be submitted to:

**ILLINOIS STATE FAIR
TWILIGHT PARADE
P.O. BOX 19427
SPRINGFIELD, ILLINOIS 62794-9427**

ILLINOIS STATE FAIR TWILIGHT PARADE FLOAT ENTRY RULES

1. Float entry applications must include a drawing or photograph of the proposed entry.
2. Each entry should incorporate the **Parade Theme** or an “atmosphere” of the Fair in the design of float.
3. The Twilight Parade Committee encourages all floats be covered with sturdy materials such as vinyl sheeting, enamel paint, or other materials which will hold up under adverse weather conditions. Floats covered with paper napkins or other similar materials will be completely destroyed if rain or strong winds occur. Exposed parts of a float must be completely covered by material including the wheels of the float.
4. Floats must bear the name of the participant and the title of the theme depicted by the float (either on the float or with a banner carried in front of the float). All signs must be of high quality and easily legible.
5. For the safety of participants and viewers, each float may be accompanied by up to eight escort personnel. This will be strictly enforced. Two banner/sign carriers will be allowed per entry. The banner carriers are not included in the escort personnel count.
6. **A float should be no more than 40 feet long, 10 feet wide and 13 feet in height.** These dimensions do not include the tow vehicle.
7. Decorated cars, trucks or vans are not considered floats and should not be entered in the Float category.
8. Commercial Floats are those, which have been designed and built for a business or organization that sells goods or services for a profit. Non-commercial floats are those which that is designed and built for group or organization that is not-for-profit; i.e. charities, volunteer groups etc.

ILLINOIS STATE FAIR TWILIGHT PARADE FLOAT JUDGING CRITERIA

Judges Will Base Their Decisions On The Following:

1. **TITLE AND THEME: 25%** This is the basic idea of the float. By making the basic idea and title conform to the Parade Theme or Fair “atmosphere” it will add to the unity of the parade. The other judging criteria measures how well this basic idea is developed
2. **INGENUITY: 15%**
3. **PUBLIC APPEAL: 15%** Public appeal is the enjoyment of the float by the audience. People in our audience are of different age groups and of different backgrounds. Quality in all of the first seven criteria will affect their enjoyment.
4. **CRAFTSMANSHIP: 15%** The design will all its ideas, is one part of quality; the other part is craftsmanship. The craftsmanship score will depend on neatness, solid construction, the proper working of mechanical parts and achievement of detail.
5. **PROPORTIONS; BALANCE AND SPACE: 10%** Proportion is the size relationships among the features of the float. However, the basic idea of the float may call for intentional lack of proportion. Balance and space take in two questions; Is the overall design graceful or clumsy? Is the space of the float used to support the basic idea, or is it wasted?
6. **COLOR: 10%** Color brings up two questions; Are the colors and their combinations pleasing? How well do they contribute to the desired effect?
7. **ANIMATION AND SOUND EFFECTS: 10%** These criteria deal with anything on the float that adds to the total effect of the float. Motion and sound are examples of special effects.
