Twilight Parade

General Rules

Thursday, August 8, 2024 – 5:30 p.m.

The following General Rules apply to all entries in the Illinois State Fair Twilight Parade. The rules have been created in the interest of safety of parade participants and spectators, to ensure a quality parade, and minimize the length and duration of the overall event.

The 2024 Illinois State Fair Twilight Parade theme is: ***It's Showtime!***

1. All parade entries must conform to the parade theme.
2. A committee will screen all entries for entertainment value, and approximately 60 entries will be selected for participation in the parade. Conformance to the theme or "atmosphere" of the Fair will be a major component of the selection of entries.
3. The parade committee will evaluate and select entries based upon information provided in the parade applications. Failure to provide complete information or to comply with the rules may result in an entry being disqualified. The parade committee reserves the right to limit, or recategorize entries based upon their discretion. All decisions of the committee are final.
4. A \$25.00 entry fee is required for each selected entry plus additional fees dependent upon number of participants or category entered. This fee shall be submitted after notification of acceptance by the committee to the Special Events Office of the Illinois State Fair.
5. All applicants will provide detailed drawings or descriptions of entries. Any major changes to the original entry must be approved by the committee or the entry will be disqualified.
6. All entries must be postmarked, or hand delivered to the Illinois State Fair Special Events Office by close of business on **Monday, July 8, 2024**.
7. No entry will be accepted unless the application has been completed in full.
8. Candy, samples, or other materials of any type may **not** be thrown from, or distributed from, floats or vehicles. Parade walkers may distribute materials to parade spectators by walking to the curb and handing material out. Law enforcement, Parade Marshals, and Parade Officials may, without warning, remove entries from the parade if this rule is violated.
9. It is the policy of the Illinois State Fair Twilight Parade to showcase the Miss Illinois County Fair Queen. No other queens or royalty will be allowed to ride in a vehicle as a single entry. Other queens or royalty may participate but must appear in conjunction with an accepted parade entry.
10. All entries must display their assigned parade entry number on the front of the unit. This number will be provided to entries in the staging area.
11. Formal instructions for staging of entries will be provided to those entries selected to participate in the parade.
12. The parade has contests for Marching Bands, Floats, and Specialty Units. Please see specific rules on the following pages for each of these contests.
