All Stock/Supply Units must be parked in designated Supply Unit lots. Each unit must be properly identified with a placard and may NOT be moved for the duration of the Fair. Limited electric hookups are available in the Supply Unit parking areas. The Department will conduct checks to ensure all Stock/Supply Units are in their assigned locations and that payment for electricity usage is accurate. Any Stock/Supply Unit found to be in violation or parked illegally will be towed at the owner's expense.

Spaces are not reserved until payment is received.
