

2023 Illinois State Fair

Central Management Services

Connectivity Agreement

Central Management Services (CMS) is pleased to provide Internet connectivity to the State of Illinois Fairgrounds for the duration of the 2023 IL State Fair. This document outlines the type of service being offered and the responsibilities of the Agency/User as the Customer. Requests for Internet connections must be received by July 1, 2023. Return this form to the Illinois State Fair, Attn: Space Rental Office, P.O. Box 19427, Springfield, IL 62794, email to Kimberley.Wilcox2@Illinois.gov or FAX 217-782-8362.

Specifically, CMS is able to provide an Internet via wireless and standard Ethernet cabling. Proper addressing of connected equipment will be accomplished using DHCP. As necessary, CMS will place equipment such as switches and transceivers into service to deliver connectivity where requested. Tech support will be available during the Fair at (217) 836-7560 or (217) 725-3201.

Description of equipment (if any) placed by CMS for the Customer:

The Agency/User acknowledges and accepts the following responsibilities:

- Customer shall supply desktop or laptop computers, monitors, power strips, and related equipment per their own needs.
- Any loss or damage to CMS-owned equipment shall be rectified by the customer. CMS is not responsible for physical security.
- CMS is not performing any form of virus protection. The customer shall provide their own virus detection and protection if desired.
- The customer shall monitor any equipment they connect to CMS' infrastructure to avoid inappropriate use of State resources.
