WELCOME

Since 1853, the Illinois State Fair (ISF) has become one of the most anticipated events in the state by providing an ever-changing kaleidoscope of high quality, family-style entertainment. With a strong dedication to the best Fair experience possible, the staff associated with planning and executing the Illinois State Fair strives to exceed the highest expectations of all Fair guests. One of the ways this is done is by building strong business relationships with quality Vendors/Exhibitors. As a contracted Vendor/Exhibitor, you are now part of that team because we believe you share this same philosophy. We look forward to working with you as we continue our strong heritage of education, entertainment and economic development. Welcome to the Illinois State Fair!

This manual is designed to arm Vendors/Exhibitors with the information necessary to ensure a smooth, positive and successful experience at the Illinois State Fair. The information outlined in the following pages is made a part of each Vendor/Exhibitor Contract by reference. It is the responsibility of each Vendor/Exhibitor to be familiar with these policies, procedures and rules. *(ISF reserves the right to add, delete, interpret or amend rules and regulations contained herein as it deems necessary.)*

VENDOR/EXHIBITOR INFORMATION

AMERICANS WITH DISABILITIES ACT:

Please be advised that by signing the Vendor/Exhibitor contract your signature signifies that it is your responsibility to assure the IL State Fair Management that your activities during the Fair comply with the federal act. Please remember that under ADA a surcharge on any service provided to cover the expenses of making your booth accessible may not be imposed. If you have any questions, please seek advice from a lawyer.

BUILDING / GROUNDS OFFICE: 217/782-0789

Carpenters, electricians, grounds crew / maintenance, plumbing, fairgrounds security.

CAMPGROUNDS: 217/524-9894

For all information concerning the Illinois State Fair campgrounds, please go to our website at statefair.illinois.gov, click on the General Info tab then camping. Please follow the instructions given on those pages.

CLEANUP:

The Illinois State Fair takes pride in the cleanliness of the Fairgrounds. It is your responsibility to keep the areas around your stand clean at all times and to provide suitable trash receptacles. Before leaving the fairgrounds, your area is to be cleaned, holes filled, the entire area free of refuse. All garbage refuse should be put in garbage containers or set alongside barrels for garbage pickup. All food vendors please note that payment for garbage will be paid directly to the Disposal Company during the Fair. Any food vendors using grease must use the closest grease barrel to their stand. Absolutely no grease is to be dumped in the sewers.

ELECTRICAL SERVICE:

The Space Rental Office will initiate electrical Work Orders when electric fees are paid in full and when display is ready for connection. Any electrical power problems should be reported to the Electric Shop located on the East side of the fairgrounds or by calling 217/782-0791.

PLEASE NOTE: ALL VENDORS / EXHIBITORS ARE REQUIRED TO SUPPLY ALL OF THEIR OWN ELECTRICAL MATERIAL (POWER CORDS, POWER STRIPS, ETC.) TO THE POWER SOURCE. WIRE NEEDS TO BE RUBBER CORD ONLY – NO ROMEX ALLOWED. VENDORS / EXHIBITORS ARE RESPONSIBLE FOR ANY DAMAGE TO UNDERGROUND UTILITIES IF HIT BY TENT STAKES, ETC. OUTSIDE VENDORS / EXHIBITORS MAY NOT DISCONNECT THEMSELVES.

See page 10 for additional electrical requirements.

GOLF CAR POLICIES AND RULES:

Golf car usage for the IL State Fair will be greatly reduced with limited access for **EVERYONE**.

A limited number of golf car rentals will be available through the ISF Credential's Office, with Rental Forms available beginning May 16.

From 10:00 am - 11:45 pm **EVERY DAY**, there will be no golf cars allowed on the interior of the fairgrounds (except emergency vehicles). Please make appropriate plans to utilize pull carts, wagons, etc after 10 am!

Call 217/782-0775 to have the golf car form sent electronically or email agr.fairinfo@illinois.gov. You will need to let the Credential's Office know if you are renting or bringing your own.

NO Golf Car may be operated on the State Fairgrounds without a valid permit issued from the Credentials Office located in the Emmerson Building

INSURANCE:

Vendor/Exhibitor shall obtain public liability insurance insuring Vendor/Exhibitor in the minimum amounts of \$300,000.00 per person, \$500,000.00 per occurrence, and \$50,000.00 property damage against claims arising out of or in connection with the vendor/exhibits/rentals which are the subject of the Agreement. Vendor/Exhibitor shall supply said public liability insurance policy in a form of a Certificate of Insurance or other form satisfactory to the Department on or before **July 1**. In addition, Vendor/Exhibitor certifies that it has **workmen's compensation insurance** in an amount required by law and will provide proof of such.

JOB SERVICE ASSISTANCE:

The Department of Employment Security will again provide recruitment assistance. If you would like their help or have any questions, please call their office at 217-782-3846. You may also visit their website at www.illinoisjoblink.com.

PARADE / OPENING DAY:

The Twilight Parade will be on Thursday, August 8. Vendors/Exhibitors are expected to open at normal time:

Exposition Building and the Senior Center:	9:00 am
Village of Cultures:	10:30 am
All other vendors/exhibitors:	10:00 am

PUBLIC HEALTH:

In our efforts to ensure a safe and healthy Illinois State Fair, all food vendors are required to attend a free Public Health meeting. It is mandatory for at least one person from each location to attend these meetings prior to opening. Multiple people from each location are welcome to attend. Any vendor who does not attend this meeting will not be allowed to open. This meeting takes the place of needing a special license to participate in this event. Public Health will also complete a mandatory initial inspection of each concession location prior to the Fair. Meetings will take place in the theatre of the Illinois Building according to the following schedule: Tuesday, August 6th and Wednesday, August 7th will be at 9:30am & 12pm. Thursday, August 8th will be at 9:30am. Public health personnel will be located in their office throughout the duration of the fair during the hours of 8am to 4:30pm.

RELEASE PROCEDURES:

All Vendors/Exhibitors must remain open and in operation until after the start of the last scheduled grandstand event at 8:00 p.m. on Sunday, August 18, 2024.

SALES TAX:

If you make retail sales at the Illinois State Fair (Sangamon County), you **must report** and **pay** Illinois Sales Tax on these sales. Each vendor contract location must be reported and paid separately. **DO NOT LUMP SUM YOUR LOCATIONS.**

The IL Department of Revenue, Sales Tax Division, will be collecting, through the mail, all Illinois Sales Tax for retail sales made during the Illinois State Fair. The IL Department of Revenue will contact each vendor during the Fair to provide the reporting document, coupon and applicable envelope to be used in reporting the sales tax. **It is imperative that the document, coupon and corresponding sales be reported and paid by September 5, 2024. Failure to do so will jeopardize your participation in 2025 Illinois State Fair and future Illinois events.**

SIGNS / GENERAL APPEARANCE:

All Vendors/Exhibitors spaces should be attractive, colorful, and professionally run. As you set up your display, please keep the following points in mind:

- Trailers must have professional vinyl skirting. Fringe banners, product banners or posters are not acceptable.
- Trailers should have removable hitches or professional skirting to conceal the hitch.
- LP gas tanks and soft drink canisters must have hoses long enough so that the canisters can be stored in the back of the stand and concealed with professional tent screening or attractive fencing.
- All signs must be attractive and professionally painted. Professional signs should indicate the name of the business/organization as well as menu and prices. Signs displayed perpendicular to the trailer or hung from an awning must have a minimum clearance of seven (7) feet. Banners and signs must be properly displayed and not sagging or drooping.
- The general area should be clear of trash and empty boxes.
- Display area must be open and manned at all times.
- Tables should be professionally skirted and items should be neatly displayed.
- Inside Vendors/Exhibitors shall not exceed 8 feet in height on back wall. Booth sidewalls or wings from the center of booth to the aisle shall not exceed 3 feet in height.
- The theme of the booth should be easily recognizable and professional in its appearance. It should not have a flea market appearance. Banners and signs must be properly displayed and not sagging or drooping. Display area must be inside the designated space and not extend into the aisles or other Vendor/Exhibitor areas.

TELEPHONE SERVICE INFORMATION:

We encourage all participants to use cell phones for their telephone needs. If you require telephone service for your event, a Telephone Service Request form must be received in our office at least one month prior to opening day, August 10th. Vendors/Exhibitors will be charged the actual cost for the installation of a phone line and that process could take several hours. There is no set cost or estimates available. That is why it is suggested that participants utilize cell phones and/or hot spots whenever possible. Due to the procedures involved with ordering telephone service, we cannot take last minute requests.

Service will require use of own telephone instrument (telephone, fax machine, etc.).

TENTS

If you intend on having tents, canopies or any other item with a stake driven into the ground, the Space Rental Office must be notified at the point of application or at least a month prior to Opening Day, August 8th so that electric and water lines can be properly marked. If a tent is staked without the ground being marked, vendors/exhibitors will be responsible for any underground damage to cables, wiring or plumbing.

All tent fabric must be flame resistant and tents should have a tag affixed showing the rating.

WATER

Water is available at the majority of locations around the grounds and is free to use as long as it isn't abused. Bottled water, if it is sold or given out for free, must be purchased thru the approved Coca-Cola or Pepsi vendors that hold contracts with the Fair.

COMMUNICATION COMMITTEE: will not meet for 2024

ELECTRIC REQUIREMENTS

As you set up your display, please keep the following points in mind:

- All outside Vendors/Exhibitors: Main feeder cable from panel or disconnect to State Fair power supply must be S.O. or S.J.O. rubber covered cable and supplied (at Vendor or Exhibitor expense) to the power source. No splices in the feeder cable allowed and we require a 4-wire cord for 240-volt single phase.
- All electrical boxes, tombstones and power pedestals shall be kept clear of trailers and temporary structures a minimum of 3 feet. Do not build around or attach anything to our tombstone or power pedestals!
- Current can be furnished at 120-240 volts single phase, 60 cycles, A.C. at all the secondary load centers and most of the buildings.
- Maximum load in wattage must be specified on contract application.
- Please check with the Space Rental Office or the electrical foreman for any load over 60 amperes or any special electrical requirements.
- All wiring and installation of electrical apparatus must be done at the expense of the Vendor or Exhibitor under the supervision of the electrical foreman.
- All trailers and trucks with electrical hookups must have a cord with a ground wire in it. No ground rods. Rubber cord with ground wire only to plug into our grounded system.
- All permanent and temporary wiring shall be under the jurisdiction of the electrical foreman. We recommend having a licensed electrical contractor install your wiring.
- All temporary wiring must be installed as follows - Externally operable fusible safety type switches or circuit breakers of correct capacity must be used for mains, where fuses are used fusetrons are recommended. Ground rod shall be driven at each service and connected to switch box for safety; also all appliances or equipment must be grounded in approved manner. A polarized system is recommended and over current protection be used in the ungrounded conductors.
- A connected load of 15 amperes is allowed for each circuit of No. 14 wire or 20 amperes when No. 12 wire is used.
- For loads greater than the above, reference should be made to the National Electrical Code (2004) or referred to the electrical foreman.
- All wiring shall be sized in accordance with the NEC (National Electrical Code). If there is a question about this please see the electrical foreman.
- Wire or cable in temporary structures, tents or in the open may be code grade for temporary installations.
- Wire for permanent exterior installation shall be weatherproof wire.
- Wires laid underground temporarily shall be U.S.E. cable (Underground Service Cable).
- No items shall be attached to or hung from electrical wiring.
- All sockets used in temporary structures, tents or in the open shall be of insulating material.
- All extension cords or pendant wires in temporary structures, tents or in the open shall be rubber covered cords with 3 wire cords and plug ends. Lightweight, 2 wire. "Household" type extension cords are not allowed.
- No wiring shall be laid on the ground, or on the floor, or any permanent structure, tent or booth.
- Electric wiring shall not be fastened to nor draped over fencing. Where installations require wiring to be placed on or over fencing the wiring must first be secured to a nonconducting surface such as a 1" x 2" board.

ELECTRIC REQUIREMENTS - ENFORCEMENT

The foregoing rules are issued under authority of "An Act in relation to the investigation and prevention of fire and dangerous conditions in and near buildings and other structure," approved June 15, 1909, as amended, and "An Act to regulate the storage, transportation, sale and use of gasoline and volatile oils," approved June 28, 1919, as amended, and "An Act to regulate the storage, transportation, sale and use of liquefied petroleum gases," approved July 11, 1955 as amended. Penalties provided by the respective acts will be enforced by inspectors from the Illinois State Fire Marshal office, who will be on the grounds to enforce the rules and require general compliance with fire-safe practices.

FIRE EXTINGUISHERS

Vendors are expected to have fire extinguishers to protect themselves and to support their fellow vendors in case of an emergency.

From the Office of the State Fire Marshal Requirements for Vendors:

A.1. All exhibit spaces / buildings / booths / tents / concessions shall have an approved fire extinguisher with a minimum rating of 2A10BC. (Exception: Vendor spaces inside buildings where fire extinguishers for the hazard are present)

A.1.a) In addition, all concessions producing grease laden vapors such as deep fat frying, open flat top grills, etc. must also have an approved class "K" fire extinguisher, either 6 Liter or 2.5 Gallon size.

A.1.b) All fire extinguishers must bear an inspection tag showing unit was inspected within the past 12 months.

A.1.c) Fire Extinguishers purchased within the past 12 months will be accepted if receipt is available.
