

**August 13 - 22, 2026**

**Rates for Concessionaires (Vendors / Exhibitors)**

Minimum space size is 10' front footage. Depth of space depends on location. Footage **must** include awnings, tie-ons, overhangs, trailer hitch, lighting, service area, and prep area; anything extending from the unit. Footage is calculated as follows: One working side = front footage. Two or more working sides &/OR CORNER = front footage plus serving footage of one side.

Exposition Bldg.  
Main Level

Southend  
Grandstand

**INSIDE LOCATIONS \*\***

30 Amp	\$ 75.00	Single Phase	110 /220 Volt	30 Amp	\$ 150.00
50 Amp	\$ 150.00	Single Phase	110 / 220 Volt	50 Amp	\$ 300.00
		Single Phase	110 / 220 Volt	100 Amp	\$ 450.00

The price of electrical is per plug-in to the power source. All vendors/exhibitors are required to supply all their own electrical material (power cords, power strips, etc.) to the power source. Wire must be rubber covered cords with 3 wire cords and plug ends. Lightweight, 2 wire, "household" type extension cords are not allowed. **Outside vendors/exhibitors are not permitted to connect or disconnect from the power source themselves.** All connections must be handled by authorized Fair personnel.

**Please note:** Electrical rates outside of Fair dates are \$50/day.

If you need more information about the space rental process or have questions about the vendor rates, please contact the Illinois State Fair Space Rental Office at 217-785-1980.
